

# GET A FREE Race Ramps® Pro-Stop

**RR-PS**

(17.5 L x 11.5 W x 2.25 H)

- No cheap plastic here: The Pro-Stop is made from recycled semi-truck tires and grips like a tire to your floor.
- The Pro-Stop holds its place even on the smoothest floors, including Swisstrax and other plastic flooring.
- Easily link two or more Pro-Stops together to make a solid stop as wide as you'd like.
- Pre-drilled holes at the front of the Pro-Stop give you the option of permanently mounting it to the floor in your garage or trailer.
